

## DESCRIPTION

Round leather-like orange skin covered with fuzz. Inside looks like a green tomato. Its greenish flesh tastes like a mix between pineapple, lime, kiwi and rhubarb.

## NUTRIENTS/ BENEFITS

Rich in Calcium, fibre, Iron, Phosphorus, Vitamin A, B3 and C.

## PREPARATION/USES

- Halve and spoon out. DO NOT EAT THE SKIN.
- Great juice
- Jelly
- Jams

## WHEN TO EAT

Better flavor when skin is bright orange and fruit is soft.

## HANDLING

Keep refrigerated.
